

# ECONOMIC IMPACTS OF LAKE ERIE HARMFUL ALGAL BLOOMS

Up to

**\$5.9M**

In lost economic revenue

Up to

**21,000**

Fishing trips canceled in 2019

Up to

**29%**

Of angling trips canceled

“Michiganders should be able to fish, boat and enjoy western Lake Erie uninhibited by worrying about being able to eat their catch or what damage it may inflict on their equipment.”

MUCC Executive Director  
Amy Trotter
