

PROPOSED BYLAW AMENDMENT #4

Submitted by: Dawn Levey, Region 5 Director

Title: Elected Officials Serving as Officers of the Corporation

Proposed: October 5, 2022 Executive Board Meeting

Purpose: Those seeking a federal or state office have far more impact on MUCC policies and issues than those running at the local level (school board, city council, county commission or township officers). In addition, by including local offices reduces the number of qualified individuals who can serve on the MUCC executive or policy boards.

ARTICLE III

SECTION 2 – QUALIFICATIONS FOR OFFICERS OF THE CORPORATION

B. No member seeking election to political office at the ~~national~~**federal or state** ~~local~~ level may be an officer of the corporation.
