ABOUT THE EVENT

Swing into action for conservation!

Michigan United Conservation Clubs (MUCC) proudly announces its upcoming charity golf outing at the esteemed West Branch Country Club on July 29, 2024 hosted by Mike Avery Outdoors. Golf enthusiasts and conservation advocates alike are invited to join in the action-packed day!

This anticipated event promises a day of camaraderie, competition, and conservation, all while raising crucial funds to support the Michigan Out-of-Doors Youth Camp and MUCC's tireless efforts to advocate, educate, increase awareness and engage in conservation.

"I'm thrilled to host this golf outing in support of Michigan United Conservation Clubs," said Mike Avery of Mike Avery Outdoors. "As stewards of Michigan's outdoor heritage, it's inspiring to see our community come together for a fun-filled day of golf while making a meaningful impact on conservation efforts statewide."

Who is MUCC?

MUCC is the nation's largest, most successful, statewide conservation organization representing 40,000 conservationists and 200 affiliate clubs. Since 1937, MUCC has worked to "unite citizens to conserve, protect, and enhance Michigan's natural resources and outdoor heritage."

Some of the highlights of our work include:

- Host over 200 campers every summer to encourage the next generation of conservationists
- Advocate through a grassroots, member-driven policy process
- Inform and educate conservationists with award-winning publications
- Lead active habitat management, conservation and improvement with volunteer support

Why Participate?

Funds raised at the Charity Outing directly benefits the Michigan Out-of-Doors Youth Camp and MUCC's mission to unite citizens to conserve, protect and enhance Michigan's natural resources & outdoor heritage. Each summer, 200 campers participate in hands-on activities to develop a passion for conservation and learn new skills in archery, fishing, kayaking and more. To date, Michigan Out-of-Doors Youth Camp has provided a place where more than 58,000 kids have connected with nature—many who become future conservation leaders!

Take Action!

Put your passion into action and register today. Various sponsorship opportunities are available for businesses and individuals looking to show their support for Michigan's conservation mission.
